

Spring-2023

Daylily Society of Minnesota

President's Greetings

Hello to All!

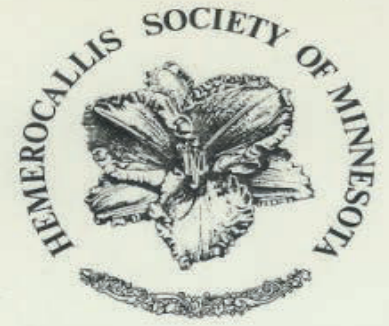

It looks like we will be trading in our winter boots and snowshoes from late season snow to waterproof boots and rafts as all that snow melts rapidly with a quick warm up. But none of that matters to us avid gardeners because daylilies will be popping up like crazy!

Thank you to the many Minnesota hardy people who attended our winter meeting on February 26th at Bachman's Garden Center. Phil Korth from Green Bay, WI entertained us with his hybridizing adventures and inspired a few of the audience to consider trying their own hybridizing efforts in the future. Karol Emmerich initiated an educational series which will be part of the next few bi-annual meetings following our main speaker. And we enjoyed great audience participation with good questions and comments. In addition, we were happy to welcome 7 new members and 1 renewing member.

This summer we continue our full schedule of activities. Join us for the Daylily Dig on Saturday June 3rd and get wet and dirty (or not). There will be a variety of tasks, some not so messy. See Dig and Sale page for more details. Volunteers are welcome to assist at the sale at Bachman's Garden Center in MPLS on Sunday June 4th. Or just come and shop, shop, shop for daylilies for your garden. Members receive a 10% discount on all purchases and volunteers who work the dig and/or sale receive a 30% discount. Our garden tour in a comfortable air-conditioned bus is scheduled for July 22nd to be followed the next day by the off scape show at the MN Arboretum on Sunday July 23rd. And finally mark your calendars for Sunday August 13th for the season ending banquet. This year we are bringing back the bargain table for daylilies so whatever your price range, you will be able to purchase more daylilies for your garden from the auction, bargain table, and silent auction offerings.

While we welcome new members, new experiences, and a new growing season, we also have to say goodbye to a cherished and valuable member. Jean Hjellming passed away on Feb 26 at the age of 96 after a long illness. Jean was a regular at the Dig & Sale, the tour, and the banquet as well as coming to most semi-annual meetings. We will miss her.

Sincerely,
Dory Lidinsky. President

2023 DSM Plant Adoption Program

Plant Adoption Distribution

The Plant Adoption Distribution will take place at Bill & Dory Lidinsky home in Ham Lake on Saturday, June 3rd during the lunch break at the Dig.

We will draw applicant names one at a time to choose a plant to adopt. Those who are not able to make it to the Dig will have another chance the next day at the Plant Sale at Bachman's, where we will draw for the remaining daylilies at Noon. You may designate someone to pick out your daylily for you if you are not able to make it either day.

For the best plant choices, plan to be there on Saturday—and be sure to bring some donations for the Plant Sale! A complete list of all cultivars up for adoption will be emailed before the Dig to give you time to study up on your choices.

If you have any questions, do not hesitate to contact Kris Henning or Karol Emmerich.

Note "DSM Auction" in the subject line. Plants with catalog values in the \$25-50 range get the most interest from our members, but feel free to go higher. If you wish to donate to the silent auction, please contact Dory at dlidinsky@comcast.net or 763-772-7941. We will also have bargain tables this year, so if you have daylilies in the \$5-\$15 range that you think folks might like to have in their garden, we'd love to have you bring them! **Off Scape Show July 23, 2023
Minnesota Landscape Arboretum 3675 Arboretum Drive, Chaska**

The show will be in the Snyder Auditorium in the main building. Setup will begin at 10 a.m., and will be Open To The Public from 11 a.m. – 3 p.m. Takedown will follow from 3 – 3:30 p.m.

This event is well attended and enjoyed by all that stop in to see tables filled with many beautiful blooms. Please bring your blooms; both registered or seedlings or help us with setup. We also need volunteers inside during the show and out in the Arboretum's daylily garden to answer questions about daylilies and talk with the public. If you are available, help with takedown after the show at 3pm is appreciated.

Your entrance fee to the Arboretum will be waived at the gate (tell the attendant that you are there as a DSM volunteer). Please contact Robin Stanislav by email robinstanislav@gmail.com or 651-233-6847 if you have questions about how to transport your blooms or wish to volunteer for the show.

Daylily Dig & Sale

Volunteer! Many hands are needed to make this sale successful!

Let's get together to make some memories and money for our club!

There are a few ways that you can help to make our fundraising plant sale a success:

Donate daylilies for the sale!

Many plants are needed to make the sale a profitable one. Plants to the public sell best in the \$5 to \$15 range. Save your more expensive plants to donate to the auction in August

- Please **named cultivars only** – no seedlings or unknown plants.
- Mark your plants and/or containers clearly so they get labelled correctly.
- If you know you have jumping worms, please do not donate.
- To minimize the risk of possibly spreading invasive jumping worms, please rinse most of the soil off at your location before packing up to bring to the dig. Plan to have your plants to the Lidinsky's on June 3th by 10 a.m.
- Email the names of what you are bringing to me (Dawn Bryant) as soon as possible or no later than May 22, so the information can be pulled together for the tags. If you know the approx. number of fans it would be appreciated if you include that.

The DIG & PREP: Come and work as long as you are able.

Saturday, 6/3 at 9:00 a.m. to done

DIG & Prep (many clumps); there will be many jobs washing, dividing & labeling.
