BRING A FRIEND

AGENDA

12:30pm-1:00pm Registration/Mingle

1:00pm-1:15pm Daylily Society Business Meeting

1:15pm-2:15pm Speaker: Mike Grossmann

Everything is Coming Up Teeth
at Northern Lights Daylilies

2:30pm-3:30pm Educational Forum:

Kathleen Nordstrom "From Seed to Introduction"

-all of the steps involved in producing a new daylily
from seed to its registration years later (using her
2024 introduction 'Pretty Purple Points' as an example)

Karol Emmerich

-steps a hybridizer needs to take to become nationally
known, demystifying the daylily awards process,
choosing award winners for your garden, etc.

Speaker: Mike Grossmann has been hybridizing northern hardy daylilies in southern Minnesota since 1999. Kathleen Nordstrom joined him in 2011 and has her own hybridizing program. Mike enjoys working with flowers with lots of teeth, bold eyes and edges and large unusual forms in all shades of purple and red. He has over 100 introductions thus far. Mike and Kathleen are looking forward to seeing about 30,000 seedlings bloom next summer. In addition to his breeding program, Mike runs Northern Lights Daylilies and sells from the website.
